Annual Holy Days and Festivals

Calendar for the Years 2026 to 2051

(Hebrew Years 5786 to 5812)

One page for each year, preceded by a summary of all years at a glance.

Holy Days Calendar

Yahweh gave His people seven annual Holy Days, set out in Leviticus 23: Passover, Unleavened Bread, Pentecost, Trumpets, Atonement, Tabernacles and the Last Great Day. Together they lay out Yahweh's plan for mankind, from the Messiah's sacrifice to the final judgment.

This calendar gives the dates of the Holy Days for every year from 2026 to 2051, on both the Hebrew calendar and the Roman (Gregorian) calendar we use from day to day.

How to read the dates

- Each Hebrew day begins at sunset on the evening before the Roman date shown.
- Passover is observed the previous evening, after sunset.
- The Feast of Trumpets is also the First Day of the Sacred Year.
- The Feast of Unleavened Bread and the Feast of Tabernacles each continue for seven days.
